How to Mine THT on CPU

Step by step directions:

https://github.com/thoughtnetwork/thought-docs/blob/master/mining.md

If you get a tar gzip error, the file may not be downloading correctly. It will show up as a JSON file type instead of an archive. To resolve: use command:

wget https://github.com/thoughtnetwork/thought-wallet/raw/master/linux/thought-0.18.3/thoughtcore-0.18.3-x86_64-pc-linux-gnu.tar.gz
